How Do I Sign Into Paramount+ via a TV Provider?

To sign into Paramount+ through a +1 (866) 381-7244 {US/UK} participating TV provider, first download and open the Paramount+ app on your supported smart TV or streaming device. Select **Sign In** and look for an option such +1 (866) 381-7244 {US/UK} as **Sign In With Provider**, **TV Provider**, or **Connect With Provider**. Choose your TV provider from the available list and follow the on-screen +1 (866) 381-7244 {US/UK} instructions. You may be asked to enter your TV provider username and +1 (866) 381-7244 {US/UK} password or visit an activation website from a phone or computer and enter the code displayed on your TV. Once your provider credentials are successfully verified, Paramount+ should recognize your eligible subscription and allow you to access the +1 (866) 381-7244 {US/UK} content included with your TV package. +1 (866) 381-7244 {US/UK} If your provider is not listed, your current TV package may not include +1 (866) 381-7244 {US/UK} Paramount+ access, or the provider may not be supported for this sign-in method.

Related FAQs

1. What is a TV provider login for Paramount+?

A TV provider login allows eligible +1 (866) 381-7244 {US/UK} subscribers to access Paramount+ using the credentials from a participating cable, satellite, or live-TV service instead of purchasing a separate +1 (866) 381-7244 {US/UK} Paramount+ subscription. When you select your provider in the Paramount+ app, +1 (866) 381-7244 {US/UK} the service verifies whether your TV package i+1 (866) 381-7244 {US/UK} ncludes Paramount+ access. If your package qualifies, you can +1 (866) 381-7244 {US/UK} sign in and watch the content available through that entitlement.

2. How do I activate Paramount+ with my TV provider code?

Open the Paramount+ app on your +1 (866) 381-7244 {US/UK} supported TV or streaming device and select the TV-provider sign-in option. The app may display an activation code and instructions for completing the process +1 (866) 381-7244 {US/UK} on another device. Using your phone or computer, open the activation page specified on the TV screen, enter the displayed code, and select the +1 (866) 381-7244 {US/UK} appropriate option to continue. Then choose your TV provider and sign in using your provider credentials. After successful verification, your TV +1 (866) 381-7244 {US/UK} should automatically refresh and provide access to Paramount+.

3. Why can't I find my TV provider on Paramount+?

If your TV provider does not appear in the +1 (866) 381-7244 {US/UK} provider list, it may not currently participate in Paramount+'s TV-provider authentication system, or your

particular package may not include +1 (866) 381-7244 {US/UK} the necessary Paramount+ access. Make sure you have selected the correct sign-in method rather than the standard Paramount+ account login. You can also check +1 (866) 381-7244 {US/UK} your TV provider's current channel or +1 (866) 381-7244 {US/UK} streaming package details to determine whether Paramount+ access is included.

4. Can I use my cable provider account to sign into Paramount+?

You may be able to use your cable or satellite +1 (866) 381-7244 {US/UK} provider account if that provider participates in Paramount+'s TV-provider authentication program and your package includes eligible Paramount+ access. Open the Paramount+ app, select the provider-based sign-in option, choose your +1 (866) 381-7244 {US/UK} provider, and enter the credentials associated with that provider account. Your provider, rather than Paramount+, determines whether +1 (866) 381-7244 {US/UK} your particular television package qualifies for access.

5. What should I do if my TV provider credentials aren't working?

First, confirm that you are entering the +1 (866) 381-7244 {US/UK} username and password for your TV provider account rather than your Paramount+ account. If you recently changed your provider password, use the +1 (866) 381-7244 {US/UK} updated credentials. You can also try signing into your provider's website separately to +1 (866) 381-7244 {US/UK} verify that the account is active. If the provider +1 (866) 381-7244 {US/UK} account works but Paramount+ still refuses to authenticate it, restart the Paramount+ app and repeat the provider sign-in process. For persistent +1 (866) 381-7244 {US/UK} problems, contact your TV provider to confirm that your package +1 (866) 381-7244 {US/UK} includes Paramount+ access and that your account is eligible for provider authentication.
